Subject: Summary of the Oct. 24 Kickoff for the proposed withdrawal of the SSM SIP Call for Texas

Note that Sabrina Argentieri in OECA is included in this message. By oversight, we neglected to include anyone from OECA on the call. Those of us who stayed to the end of the discussion realized the omission. We recommend that Kristi and Megan coordinate on how to inform Sabrina's management of this activity and secure her engagement as needed. I have shared the SharePoint folder for this effort with Sabrina

Subject: Kickoff for the proposed withdrawal of the SSM SIP Call for Texas 919-541-5230

When: Wednesday, October 24, 2018 11:30 AM-12:00 PM (UTC-08:00) Pacific Time (US & Canada).

Where: RTP-OAQPS-919-541-5230-01D-AQPD/Phone-Line/RTP-OAQPS-BLDG-C

A tweak on the agenda.

Rescheduling per Kristi's suggestion. Megan may not be available, but I know she trusts us for 30 minutes. I'll keep on the calendar another hour right after this with just Alan, Richard, and Emily, but depending on the conversation during this call we may delay that also.

This will be a short call. I've scheduled a longer call for just Emily, Alan, Richard, Karen, and me right after this call, to get deeper.

Some, but not all of the managers may be able to join at this time, and be available to give input and respond to questions.

Many of you have already received a SharePoint link from me for a folder that has several relevant reference materials and the start of an outline for the notice. I think that those that did not get it don't need it for now, but if you want it let me know.
